

And many more...

Autism Centers of Excellence Trainee Event: Autism Career Pathways Panel

Jokaimy Caceres, LCSW
Social Work

Mark Shen
PhD
Neuroscience

Kate MacDuffie
MA, PhD
Bioethics & Clinical Psychology

Jeremy Veenstra-VanderWeele, MD
Psychiatrist

What?

There are many paths leading to a career in autism research and services. This panel will discuss career pathways in psychiatry, clinical psychology, bioethics, neuroscience, and social work. Our speakers will discuss their training and answer questions about navigating these pathways.

Attendees can then join breakout rooms to network in their field of interest!
